22. (1) Where immovable property has been sold in execution of a certificate, the certificate-debtor, or any person whose interests are affected by the sale, may, at any time within thirty days from the date of the sale, apply to the Certificate-officer to set aside the sale, on his depositing—

Provided as follows:—

- (a) no sale shall be set aside on any such ground unless the Certificate-officer is satisfied that the applicant has sustained substantial injury by reason of the non-service or irregularity; and
- (b) an application made by a certificate-debtor under this section shall be disallowed unless the applicant either deposits the amount recoverable from him in execution of the certificate or satisfies the Certificate-officer that he is not liable to pay such amount.

(2) Notwithstanding anything contained in sub-section (1), the Certificate-officer may entertain an application made after the expiry of 60 days from the date of the sale if he is satisfied that there are reasonable grounds for so doing.

(Bengal Public Demands Recovery Act, 1913.—Part III.—Execution of Certificates.—Setting aside sale.—Disposal of proceeds of execution.—Resistance to purchaser after sale.—Sections 24-28.)

24. The purchaser at any sale of immovable property in execution of a certificate may, at any time within sixty days from the date of the sale, apply to the Certificate-officer to set aside the sale on the ground that the certificate-debtor had no saleable interest in the property sold, or that the property did not exist at the time of the sale.

Sale when to become absolute or be set aside.

25. (1) Where no application is made under section 22, section 23 or section 24, or where such an application is made and disallowed, the Certificate-officer shall make an order confirming the sale, and thereupon the sale shall become absolute.

(2) Where such an application is made and allowed, and where, in the case of an application under section 22, the deposit required by that section is made within thirty days from the date of the sale, the Certificate-officer shall make an order setting aside the sale:

(1) If the Certificate-officer is satisfied that the resistance or obstruction was occasioned without any just cause by the certificate-debtor or by some person on his behalf, he shall direct that the applicant be put into possession of the property; and, if the applicant is still resisted or obstructed in obtaining possession, the Certificate-officer may also, at the instance of the applicant, order the certificate-debtor or such other person to be detained in the civil prison for a term which may extend to thirty days.

(2) If the Certificate-officer is satisfied that the resistance or obstruction was occasioned by any person (other than the certificate-debtor) claiming in good faith to be in possession of the property on his own account or on account of some person other than the certificate-debtor, the Certificate-officer shall make an order dismissing the application.

- (b) in the case of a certificate for a demand mentioned in Article 1 or Article 2 of Schedule I, if the certificate-debtor has not paid the amount due under the certificate to the Certificate-officer—
 - (i) within thirty days from the service of the notice required by section 7, or

Suit to recover possession of, or to set aside sale of, immovable property, where notice of certificate not served.

36. Provided that no such suit shall be entertained—

the Certificate-officer shall make an order releasing the property, wholly or to such extent as he thinks fit, from attachment or sale.

Disallowance of claim to property attached. 26. Where the Certificate-officer is satisfied that the property was, at the said date, in the possession of the certificate-debtor as his own property and not on account of any other person, or was in the possession of some other person in trust for him, or in the occupancy of a tenant or other person paying rent to him, the Certificate-officer shall disallow the claim.

Saving of suits to establish right to attached property. 27. Where a claim or an objection is preferred, the party against whom an order is made may institute a suit in a Civil Court to establish the right which he claims to the property in dispute; but, subject to the result of such suit (if any), the order shall be conclusive.

Sale generally.

Power to order sale of attached property. 28. Any Certificate-officer executing a certificate may order that any property liable to sale, or such portion thereof as may seem necessary to satisfy the certificate, shall be sold.

Proclamation of sale by public auction. 29. (1) Where any immovable property, or any movable property exceeding twenty rupees in value, is ordered to be sold by public auction, the Certificate-officer shall cause a proclamation of the intended sale to be made in the language of the Courts of the district.

(2) Such proclamation shall be drawn up after notice to the certificate-debtor, and shall state the time and place of sale, and shall specify, as fairly and accurately as possible,—

(a) the property to be sold;

(b) (where the property to be sold is an interest in an estate or in part of an estate paying revenue to the Government) the revenue assessed upon the estate or part of the estate;

(c) the amount for the recovery of which the sale is ordered; and

(d) every other thing which the Certificate-officer considers it material for a purchaser to know in order to judge of the nature and value of the property.

(3) Where a tenure, or a raiyati holding at fixed rates, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is to be sold in execution of a certificate for arrears of rent due in respect thereof, the said proclamation shall also state that the tenure or holding will first be put up to auction subject to registered and notified incumbrances, and will be sold subject to those incumbrances if the sum bid is sufficient to liquidate the amount specified in the certificate, and costs, and that otherwise it will, if the certificate-holder so desires, be sold on a subsequent day, of which due notice will be given, with power to annul all incumbrances. VIII of 1885.

(4) Where an occupancy holding, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is to be sold in execution of a certificate for arrears of rent due in respect thereof, the said proclamation shall also state that the holding will be sold with power to annul all incumbrances. VIII of 1885.

(5) Where the certificate-holder is a co-sharer landlord and the certificate is for his share of the rent only, the provisions of sub-rules (3) and (4) shall not apply.

*(Bengal Public Demands Recovery Act, 1913.—Schedule II.—
Rules.—Rules 30—35.)*

(6) For the purpose of ascertaining the matters to be specified in the proclamation, the Certificate-officer may summon any person whom he thinks necessary to summon, and may examine him in respect to any such matters and require him to produce any document in his possession or power relating thereto.

Mode of making proclamation.

30. (1) Every proclamation for the sale of immovable property shall be made at some place on or near such property by beat of drum or other customary mode, and a copy of the proclamation shall be affixed on a conspicuous part of the property and then upon a conspicuous part of the office of the Certificate-officer.

(2) Where the Certificate-officer so directs, such proclamation shall also be published in the Calcutta Gazette or in a local newspaper, or in both; and the cost of such publication shall be deemed to be costs of the sale.

(3) If a tenure, a raiyati holding at fixed rates or an occupancy holding situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is to be sold in execution of a certificate for arrears of rent due in respect thereof, the proclamation shall also be published in the Malkachari or rent office of the estate and at the local thana. VIII of 1895.

(4) Where property is divided into lots for the purpose of being sold separately, it shall not be necessary to make a separate proclamation for each lot, unless proper notice of the sale cannot, in the opinion of the Certificate-officer, otherwise be given.

Time of sale.

31. Save in the case of property of the kind described in the proviso to rule 13, no sale hereunder shall, without the consent in writing of the certificate-debtor, take place until after the expiration of at least thirty days in the case of immovable property, or of at least fifteen days in the case of movable property exceeding twenty rupees in value, calculated from the date on which a copy of a sale proclamation has been affixed in a conspicuous part of the office of the Certificate-officer:

Provided that if a tenure, a raiyati holding at fixed rates or an occupancy holding, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is to be sold in execution of a certificate for arrears of rent due in respect thereof, the sale shall not, without the consent in writing of the certificate-debtor, take place until after the expiration of at least thirty days, calculated from— VIII of 1885.

(a) the date on which a copy of the sale proclamation has been affixed in a conspicuous part of the office of the Certificate-officer, or

(b) the date on which the sale proclamation has been published in the Malkachari or rent office of the estate and at the local thana,

whichever is later.

Adjournment or stoppage of sale.

32. (1) The Certificate-officer may, in his discretion, adjourn any sale hereunder to a specified day and hour; and the officer conducting any such sale may in his discretion adjourn the sale, recording his reasons for such adjournment:

Provided that, where the sale is made in, or within the precincts of, the office of the Certificate-officer, no such adjournment shall be made without the leave of the Certificate-officer.

(2) Where a sale is adjourned under sub-rule (1) for a longer period than seven days, a fresh proclamation under rule 30 shall be made, unless the certificate-debtor consents to waive it.

(3) Every sale shall be stopped if, before the lot is knocked down, the debt and costs (including the costs of the sale) are tendered to the officer conducting the sale, or proof is given to his satisfaction that the amount of such debt and costs has been paid to the Certificate-officer who ordered the sale.

Defaulting purchaser answerable for loss on re-sale.

33. Any deficiency of price which may happen on a re-sale by reason of the purchaser's default, and all expenses attending such re-sale, shall be verified to the Certificate-officer by the officer or other person holding the sale, and shall, at the instance of either the certificate-holder or the certificate-debtor, be recoverable from the defaulting purchaser under the procedure provided by this Act.

Restriction on bidding or purchase by officers.

34. No officer or other person having any duty to perform in connection with any sale shall, either directly or indirectly, bid for, acquire or attempt to acquire any interest in the property sold.

Sale of movable property.

Sale of agricultural produce.

35. (1) Where the property to be sold is agricultural produce, the sale shall be held,—

(a) if such produce is a growing crop—on or near the land on which such crop has grown, or

*(Bengal Public Demands Recovery Act, 1913.—Schedule 11.)**Rules.—Rules 36–41.)*

- (b) If such produce has been cut or gathered—at or near the threshing-floor or place for treading out grain or the like, or fodder-stack, on or in which it is deposited:

Provided that the Certificate-officer may direct the sale to be held at the nearest place of public resort, if he is of opinion that the produce is thereby likely to sell to greater advantage.

- (2) Where, on the produce being put up for sale,—

(a) a fair price, in the estimation of the person holding the sale, is not offered for it, and

(b) the owner of the produce, or a person authorised to act in his behalf, applies to have the sale postponed till the next day or, if a market is held at the place of sale, the next market day,

the sale shall be postponed accordingly, and shall be then completed, whatever price may be offered for the produce.

Special provisions relating to growing crops.

36. (1) Where the property to be sold is a growing crop, and the crop from its nature admits of being stored but has not yet been stored, the day of the sale shall be so fixed as to admit of the crop being made ready for storing before the arrival of such day, and the sale shall not be held until the crop has been cut or gathered and is ready for storing.

(2) Where the crop from its nature does not admit of being stored, it may be sold before it is cut and gathered; and the purchaser shall be entitled to enter on the land, and to do all that is necessary for the purpose of tending and cutting or gathering the crop.

Sale by public auction.

37. (1) Where movable property is sold by public auction, the price of each lot shall be paid at the time of sale or as soon after as the officer or other person holding the sale directs, and in default of payment the property shall forthwith be re-sold.

(2) On payment of the purchase-money, the officer or other person holding the sale shall grant a receipt for the same, and the sale shall become absolute.

(3) Where the movable property to be sold is a share in goods belonging to the certificate-debtor and a co-owner, and two or more persons, of whom one is such co-owner, respectively bid the same sum for such property or for any lot, the bidding shall be deemed to be the bidding of the co-owner.

Irregularity not to vitiate sale, but any person injured may sue.

38. No irregularity in publishing or conducting the sale of movable property shall vitiate the sale; but any person sustaining substantial injury by reason of such irregularity at the hand of any other person may institute a suit in a Civil Court against him for compensation, or (if such other person is the purchaser) for the recovery of the specific property and for compensation in default of such recovery.

Delivery of movable property, debts and shares.

39. (1) Where the property sold is movable property of which actual seizure has been made, it shall be delivered to the purchaser.

(2) Where the property sold is movable property in the possession of some person other than the certificate-debtor, the delivery thereof to the purchaser shall be made by giving notice to the person in possession, prohibiting him from delivering possession of the property to any person except the purchaser.

(3) Where the property sold is a debt not secured by a negotiable instrument, or is a share in a corporation, the delivery thereof shall be made by a written order of the Certificate-officer prohibiting the creditor from receiving the debt or any interest thereon, and the debtor from making payment thereof to any person except the purchaser, or prohibiting the person in whose name the share may be standing from making any transfer of the share to any person except the purchaser or receiving payment of any dividend or interest thereon, and the manager, secretary or other proper officer of the corporation from permitting any such transfer or making any such payment to any person except the purchaser.

Transfer of negotiable instruments and shares.

40. (1) Where the execution of a document, or the endorsement of the party in whose name a negotiable instrument or a share in a Corporation is standing, is required to transfer such negotiable instrument or share, the Collector, or such officer as he may appoint in this behalf, may execute such document or make such endorsement as may be necessary; and such execution or endorsement shall have the same effect as an execution or endorsement by the party.

- (2) Such execution or endorsement may be in the following form, namely:—

A B, by C D, Collector of the district of _____, in a proceeding under the Bengal Public Demands Recovery Act, 1913, against A B.

(3) Until the transfer of such negotiable instrument or share, the Certificate-officer may, by order, appoint some person to receive any interest or dividend due thereon, and to sign a receipt for the same; and any receipt so signed shall be as valid and effectual for all purposes as if the same had been signed by the party himself.

Vesting order in case of other property.

41. In the case of any movable property not hereinbefore provided for, the Certificate-officer may make an order vesting such property in the purchaser or as he may direct; and such property shall vest accordingly.

42. (1) When a tenure or a holding at fixed rates, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, has been advertised under rule 29 for sale in execution of a certificate for arrears of rent due in respect thereof, it shall be put up to auction subject to registered and notified incumbrances; and, if the bidding reaches a sum sufficient to liquidate the amount of the certificate and the costs of the sale, the tenure or holding shall be sold subject to such incumbrances.

(2) The purchaser at such sale may, in manner provided by section 167 of the Bengal Tenancy Act, 1885, and not otherwise, annul any incumbrance upon the tenure or holding, not being a registered and notified incumbrance.

Sale of tenure or holding at fixed rates with power to avoid all incumbrances.

43. (1) If the bidding for a tenure or a holding at fixed rates, put up to auction under rule 42, does not reach a sum sufficient to liquidate the amount of the certificate and costs as aforesaid, and if the certificate-holder thereupon desires that the tenure or holding be sold with power to avoid all incumbrances, the person holding the sale shall adjourn the sale and make a fresh proclamation under rule 29 announcing that the tenure or holding will be put up to auction and sold with power to avoid all incumbrances, upon a future day specified therein, not less than fifteen or more than thirty days from the date of the postponement; and upon that day the tenure or holding shall be put up to auction and sold with power to avoid all incumbrances.

Postponement of sale to enable certificate-debtor to raise amount due under certificate.

46. (1) Where an order for the sale of immovable property has been made, if the certificate-debtor can satisfy the Certificate-officer that there is reason to believe that the amount of the certificate may be raised by the mortgage or lease or private sale of such property, or some part thereof, or of any other immovable property of the certificate-debtor, the Certificate-officer may, on his application, postpone the sale of the property comprised in the order for sale, on such terms and for such period as he thinks proper, to enable him to raise the amount.

(2) In such case the Certificate-officer shall grant a certificate to the certificate-debtor, authorising him, within a period to be mentioned therein, and notwithstanding anything contained in section 8 or section 18, to make the proposed mortgage, lease or sale:

Provided that all money payable under such mortgage, lease or sale shall be paid, not to the certificate-debtor, but to the Certificate-officer:

Provided also that no mortgage, lease or sale under this rule shall become absolute until it has been confirmed by the Certificate-officer.

Prohibition of purchase of tenure or holding by certificate-debtor.

(2) If a certificate-debtor purchases, by himself or through another person, a tenure or holding so sold, the Certificate-officer may, if he thinks fit, on the application of the certificate-holder or any other person interested in the sale, by order, set aside the sale; and the costs of the application and order, and any deficiency of price which may happen on the re-sale, and all expenses attending it, shall be paid by the certificate-debtor.

Deposit by purchaser, and re-sale in default.

48. On every sale of immovable property, the person declared to be the purchaser shall pay, immediately after such declaration, a deposit of twenty-five per cent. on the amount of his purchase-money, to the officer or other person conducting the sale; and, in default of such deposit, the property shall forthwith be re-sold.

Time for payment of purchase-money in full.

49. The full amount of purchase-money payable shall be paid by the purchaser to the Certificate-officer on or before the fifteenth day from the sale of the property.

Procedure in default of payment.

50. In default of payment within the period mentioned in rule 49, the deposit may, if the Certificate-officer thinks fit, after defraying the expenses of the sale, be forfeited to the Government, and the property shall be re-sold, and the defaulting purchaser shall forfeit all claim to the property or to any part of the sum for which it may subsequently be sold.

*(Bengal Public Demands Recovery Act, 1913.—Schedule II.—
Rules.—Rules 51—59.)*

Bid of co-sharer to have preference.

52. Where the property sold is a share of undivided immovable property, and two or more persons, of whom one is a co-sharer, respectively bid the same sum for such property or for any lot, the bid shall be deemed to be the bid of the co-sharer.

Return of purchase-money in certain cases.

53. Where a sale of immovable property is set aside, any money paid or deposited by the purchaser on account of the purchase, together with the penalty (if any) referred to in clause (b) of section 23, and such interest as the Certificate-officer may allow, shall be paid to the purchaser.

Certificate to purchaser.

54. (1) Where a sale of immovable property has become absolute, the Certificate-officer shall grant a certificate specifying the property sold and the name of the person who at the time of sale is declared to be the purchaser.

(2) Such certificate shall bear date the day on which the sale became absolute.

Delivery of property in occupancy of certificate-debtor.

55. Where the immovable property sold is in the occupancy of the certificate-debtor, or of some person on his behalf, or of some person claiming under a title created by the certificate-debtor subsequently to the service of the notice issued under section 7, and a certificate in respect thereof has been granted under rule 54, the Certificate-officer shall, on the application of the purchaser, order delivery to be made by putting such purchaser, or any person whom he may appoint to receive delivery on his behalf, in possession of the property, and, if need be, by removing any person who refuses to vacate the same.

Delivery of property in occupancy of tenant or other person.

56. Where the property sold is in the occupancy of a tenant or other person entitled to occupy the same, and a certificate in respect thereof has been granted under rule 54, the Certificate-officer shall, on the application of the purchaser, order delivery to be made by affixing a copy of the certificate of sale in some conspicuous place on the property, and proclaiming to the occupant by beat of drum or other customary mode, at some convenient place, that the interest of the certificate-debtor has been transferred to the purchaser.

(2) Where appearance is not made in obedience to the notice, the Certificate-officer may issue a warrant for the arrest of the certificate-debtor.

Subsistence allowances.

58. (1) When a certificate has been signed either in accordance with the provisions of section 4, or on a requisition made under section 5, no certificate-debtor shall be arrested in execution of the certificate unless and until the certificate-holder pays into Court such sum as the Certificate-officer thinks sufficient for the subsistence of the certificate-debtor from the time of his arrest until he can be brought before the Certificate-officer.

(2) When a certificate-debtor is committed to the civil prison in execution of a certificate, the Certificate-officer shall fix for his subsistence such monthly allowance as he may be entitled to according to the scale fixed by the Local Government for the subsistence of arrested judgment-debtors, or, where no such scale has been fixed, as the Certificate-officer considers sufficient with reference to the class to which the certificate-debtor belongs.

(3) The monthly allowance fixed by the Certificate-officer shall be applied, by the person upon whose requisition the certificate was signed, by monthly payments in advance before the first day of each month.

(4) The first payment shall be made to the Certificate-officer for such portion of the current month as remains unexpired before the certificate-debtor is committed to the civil prison; and the subsequent payments (if any) shall be made to the officer in charge of the civil prison.

(5) Sums disbursed by the certificate-holder for the subsistence of the certificate-debtor in the civil prison shall be deemed to be costs in the proceeding;

DEPARTMENT OF AGRICULTURE, BENGAL.

FORECAST OF THE RABI CROPS OF BENGAL, 1912-13.

[NOTE.—On the average of the five years ending 1910-11, the area under summer rice in Bengal represents some 0·5 per cent. of the total area under rice in British India.]

Explanatory.—The crops dealt with in the present forecast are the spring crops, such as summer rice, barley, gram, tobacco, etc., which are generally sown during September and October and harvested between February and April. In the food-crops are included *kalai*, *arhar*, *mung*, peas, lentils, *kheshari*, *kulthi*, buck wheat, *cheena*, potatoes, yams, melons and chillies and in the non-food-crops, tobacco, *ganja*, fodder, fibres, etc.

Character of the Season.—The rainfall in September, though below the normal, was general and sufficient for the sowings of the crops in normal time. In October the rainfall was in excess of the normal. There were good showers of rain in the beginning of November which favoured the growth of the crops. During December there was no rain, and insufficient

rainfall in January adversely affected the growth of the crops. The rainfall in February, being general over the Province, improved prospects in many places, but being excessive in some places caused some damage. The season on the whole, though better than last year, has not been up to average.

Acreage.—The normal area under the different *rabi* crops in the Province dealt with in the forecast is estimated at 3,832,800 acres. The area actually sown this year is reported to be 3,109,300 acres against 3,169,200 acres last year which shows a slight decrease. 314,700 acres are reported to be under summer (*boro*) rice this year against 316,900 acres last year.

Outturn.—Estimated percentage of outturn in the 16 districts where the crop is most important is as follows :—Bakarganj 100, Burdwan and Mymensingh 93, Jalpaiguri 91, Malda and Tippera 90, Dacca 87, Pabna 86, Murshidabad 83, Rangpur 77, Jessore and Noakhali 76, Midnapore 75, Nadia 69, Faridpur 65, and Rajshahi 58.

According to the estimate of the district officers the outturn of the different *rabi* crops for the Province as a whole works out to 83 per cent. of the normal against 79 per cent. last year.

Accepting 90 per cent. as the outturn of summer rice, the gross yield of the crop for the Province, on the basis of a normal yield of $13\frac{1}{2}$ maunds of clean grain per acre, is estimated at 2,809,200 cwts. against 2,797,400 cwts. last year. The increase works out to 0·4 per cent. only.

JESSORE.	Barley	Acres. 3,300	Acres. 1,700	Acres. 1,800	83	78			The increase in the total area under rabi crops is due to favourable weather in the beginning which helped the growth of the crops, but want of rain in January affects the outturn.

KURNA.	Total non-food-crops ...	223,000	118,700	134,000	82	76			This year as well as last year's are under different crops have been revised in light of the revised normal areas under the crops. Heavy rain at the beginning of November was responsible for some reduction of area under tobacco. The November rain destroyed seedlings of tobacco and made a crop somewhat late, but subsequent weather was extremely favourable.

	Other rabi cereals (excluding wheat).	141,000	140,000	32,800	75	75	October ...	End of January.	The rainfall of November hampered the cultivation, and the late rain during the harvesting time was not favourable. Very slight damage was done to some of the crops by the late rains. Hence the outturn is expected to be a little less than the normal.

	Rabi orchard and garden produce.	20,200	21,000*	26,100	75	75	November ...	February.	The decrease in area, mainly under summer rice, rabi cereals and other rabi non-food-crops is reported to be due to want of timely rain in some parts and excessive rainfall in November. There was a good outturn of winter rice and so summer rice has not been cultivated largely as usual.

* Estimated in Director's office.

† Revised.

The rainfall in September and October was favourable to the cultivation and growth of the tobacco crop. For the rabi crop as a whole the weather has not been favourable. Excessive cold retarded the growth of the crops.

The weather has been seasonable in Aipur Duars, and in other places it has been cloudy and stormy at times. The rain in November injured the crops to some extent, but no damage has been done by any other cause. The output is below the normal owing to unfavourable weather in November. February rain has done good to tobacco plants.

Owing to want of timely rainfall the crops could not thrive well.

The weather has been favourable and the growth of the crops is good. The area under "orchard and garden produce," which includes mostly mango gardens, has since been revised. From the census taken, it appears that the area of mango gardens is not more than 22,000 acres, and taking 3,000 acres for other trees, the revised area comes to 25,000 acres.

Boro rice—January; normal.
Other rabbi crops—November; normal.

Boro rice—Not yet commenced.
Other rabbi crops—end of January.

Boro—April.
Pulses—February.
Other crops—later part of December; late.

The decrease in area under other rabbi cereals and condiments and spices this year is due to revision of estimates. Want of rain in January caused some damage to the crops. Hence the outturn is below the normal.

Third week of December; normal.

First week of November; normal.

Not yet commenced.

The weather has been seasonable and the growth of the crops was good. The low percentage of outturn is partly due to the decay of the fertility of the soil for want of manure and repeated cultivation and partly to want of rainfall in December and January. The figures of areas for rabbi cereals and rabbi pulses were combined in previous years. This year they have been shown separately. The difference in the total of these two heads from last year was due to transfer to other rabbi food-crops by the Subdivisional Officer, Jamalpur. The decrease in area under rabbi non-food-crops this year compared with the figures shown in last year's return was due to revision by the Subdivisional Officer, Kishanganj.

First week of November; normal.

MONTHLY WEATHER AND CROP REPORT OF BENGAL FOR MARCH 1913.

I. *Character of the season.*—During the month under review rain fell all over the Province. The fall was a little above the normal in the Burdwan and Rajshahi Divisions. In the other three divisions the fall was slightly below the average. The usual rainfall statement is appended.

II. *Progress of agricultural operations.*—The preparation of fields for *bhadoi* paddy, jute and other *bhadoi* crops continued during the month and sowing thereof commenced. The harvesting of *rabi* crops and the pressing of sugarcane continued.

III. *State of standing crops.*—The standing *rabi* crops were reported to be generally doing well.

IV. *Prospects and probable outturn of harvests.*—The outturn of *rabi* crops is expected to be 83 per cent. of the normal.

V. *Damage to standing crops.*—The rainfall in the beginning of the month damaged considerably the mango blossoms in Malda and Hooghly and also slightly the prospects of *rabi* crops in Nadia and Burdwan. Some damage by hail was also reported from Mehendiganj thana in Bakerganj in the middle of the month.

VI. *Condition of agricultural stock.*—The condition of agricultural stock was on the whole good. Cattle-disease was, however, reported to be prevalent in places in Khulna, Jessore, Burdwan, Rajshahi, Dinajpur, Malda, Mymensingh and Tippera.

VII. *Failure of pasturage and fodder.*—The supply of fodder and water was sufficient except in parts of Pingla thana in the district of Midnapore.

VIII. *Prices of food-grains.*—During the second fortnight of the month under review, the price of common rice rose in nine districts, fell in five and remained stationary in the rest. It varied from 7 seers a rupee in Darjeeling to 12 seers a rupee in Midnapore and Chittagong.

IX. *Condition of agricultural people.*—The condition of agricultural people continued to be good.

DISTRICT REPORTS ON WEATHER AND CROPS

For the week ending on the 14th April 1913.

Summary.—During the week under review light rain fell throughout the province except in Khulna, Birbhum, Howrah and Malda. The prospects of standing crops are generally good. Preparation of fields for *bhadoi* paddy and jute is going on briskly and sowings thereof continue. The harvesting of *rabi* crops and the pressing of sugarcane are almost finished. The average price of common rice for the province has risen by one per cent. Stocks of rice are insufficient in Bhola and in parts of Pirojpur subdivisions of Bakarganj. RESOLUTION ON THE BUDGET ESTIMATES OF THE COMMISSIONERS FOR THE PORT OF CALCUTTA FOR THE YEAR 1913-14.

No. 1391 Marine.

Government of Bengal.

MARINE DEPARTMENT.

Dated Calcutta, the 22nd April 1913.

RESOLUTION.

READ—

Letter No. 12801, dated the 31st March 1913, from the Vice-Chairman of the Commissioners for the Port of Calcutta, submitting the budget estimates of income and expenditure of the Port Trust for the year 1913-14.

CAPITAL ACCOUNT.

An expenditure of Rs. 68,76,389 is provided for during the year on Capital Account. It is proposed to meet this expenditure, and a probable

deficit of about Rs. 2½ lakhs on Capital Account on the 31st March 1913, by the issue of a debenture loan of Rs. 70 lakhs and by the transfer of 1½ lakhs from the Vessels Replacement Fund. A sum of Rs. 42,63,180 has been provided for Works in Progress, including the additional Jetty and Warehouses commenced in 1912-13 to relieve the congestion at the import jetties, Rs. 25,13,209 for Original Works, and the balance, Rs. 1,00,000, for unforeseen works. The following *new* works costing above Rs. 50,000 each have been provided for :—

Name of work.	Amount of estimate	Amount provided for during 1913-14.

8. Railway approaches to the new river-side berths and reclamation of land for diversion of roads and the re-alignment of the Eastern Bengal State Railway (Dock Extension Scheme).	2,00,000

REVENUE ACCOUNT.

2. *Income.*—It is anticipated that the income of the Trust for the year just closed will amount to Rs. 1½ lakhs, or Rs. 2½ lakhs better than the estimate of the year, and Rs. 7½ lakhs over the actual income of 1911-12. With these figures before them the Commissioners have budgetted for an income of Rs. 1,16,92,410 in the year 1913-14, which they believe will be fully realized.

There has been a general improvement in all the sources of income, and the Commissioners anticipate that this improvement will be maintained in both imports and exports. Large increases are expected under the following heads :—

	Estimate, 1912-13	Estimate, 1913-14	Increase
	Rs.	Rs.	Rs.
River Dues ...	25,32,000	25,84,000	52,000
Ferry Service ...	3,00,000	3,70,000	70,000
Wet Docks ...	43,30,425	44,80,685	1,50,260
Railway ...	14,13,750	15,65,220	1,51,470

3. *Expenditure.*—The total expenditure of the year is estimated at Rs. 1,15,58,922, out of which Rs. 60,41,366 represent obligatory charges, such as interest and sinking fund charges, leaving a surplus income of Rs. 1,33,488 as against an expenditure of Rs. 1,36,42,870 and a surplus of Rs. 4,21,193 for 1912-13. Under establishment charges provision has been made for an increase of nearly Rs. 2 lakhs, principally in the Traffic Department under Jetties, Docks and Railway: this is chiefly due to a reorganization of the system of working at the jetties. Further changes involving an increase of establishment are also contemplated to facilitate the delivery and removal of imports and relieve the congestion at the jetties.

A general summary of the estimates submitted by the Commissioners is given below :—

REPORT ON THE BRUCE INSTITUTION FOR THE YEAR 1912.

NOTIFICATION.

No. 2832.—The 24th April 1913.—The following is published for general information.

H. F. SAMMAN.

Offg. Secy. to the Govt. of Bengal.

Report on the Bruce Institution for the year 1912.

I. Control.—(1) During the year under review the following gentlemen were appointed, under rule 10, to be Governors :—

- (a) The Hon'ble Mr. A. M. Monteath, *vice* Mr. F. H. Stewart, resigned.
- (b) The Revd. D. H. Manley, *vice* the Revd. R. C. Grose, resigned.
- (c) The Revd. Father A. Van de Mergel, S.J. whose term of office had expired, was re-appointed.

(2) The Hon'ble Sir Richard Harington ceased, under rule 8, to be a Governor by effluxion of time.

(3) Mr. M. Prothero, who was retiring from the service of Government, resigned his appointment as a Governor in the month of December.

(4) The following is a list of the Governors holding office at the end of the year :—

The Hon'ble the Chief Justice of Bengal	...	} <i>Ex-officio.</i>
The Most Revd. the Lord Bishop of Calcutta	...	
The Inspector-General of Civil Hospitals, Bengal	...	
The Chairman of the Calcutta Municipality	..	
The Director of Public Instruction, Bengal (Honorary Secretary.)		
The Hon'ble Mr. W. C. Madge, C.I.E.		
The Hon'ble Mr. A. M. Monteth.		
The Ven'ble Archdeacon Wickins.		
The Revd. Father A. Van de Mergel, S.J.		
The Revd. D. H. Manley.		

II. *Capital and Income.*—The capital of the institution stood, as in the previous year, at Rs. 10,51,200, of which Rs. 10,46,200 are in the form of a $3\frac{1}{2}$ per cent. stock certificate of the year 1865. The balance, viz. Rs. 5,000, is invested in $3\frac{1}{2}$ per cent. Government securities. The annual interest on the capital amounts to Rs. 36,792. The year opened with a balance of Rs. 3,035-15-6 and closed with a balance of Rs. 22,167-6. The reason why the opening balance was unusually small is that the second half-yearly interest of Rs. 18,396 for the year 1911, which is generally received in December, was not received till January 1912.

III. *Election to vacancies, etc.*—(1) The annual election of foundationers was held on the 9th February. For the 12 vacancies advertised 71 applications were received, but 2 vacancies having subsequently occurred, 14 girls were elected on the recommendation of a Sub-Committee consisting of the Ven'ble Archdeacon Wickins, the Hon'ble Mr. W. C. Madge, the Revd. Father A. Van de Mergel, the Revd. R. C. Grose and Mr. M. Prothero. Of the girls elected, 8 were placed in the Loreto Convent, Entally (4 in the boarding school and 4 in the orphanage), 3 in the Calcutta Girls' High School, 2 in the Pratt Memorial School and 1 in the Calcutta Free School.

(2) Of the 12 girls withdrawn during the year, 7 had attained the age of 17 years, the limit ordinarily allowed under the rules, 1 girl was withdrawn on account of ill-health and 4 died.

(3) Of the girls who had been withdrawn during the preceding year, and in respect of whom reports have been received during the year under review, one is temporarily employed as a pupil-teacher in the school where she was educated, another is being trained for mission work and one girl was married.

(4) At the close of the year there were 137 girls on the foundation against an equal number in the preceding year. They were distributed as follows :—

Loreto Convent, Entally	{ Boarding School	37 }	...	62
	{ Orphanage	25 }		
Calcutta Girls' School	38
Pratt Memorial School	14
St. Paul's Mission Home	7
Calcutta Free School	3
La Martinière, Calcutta	2
Old Church Parochial Home	2
Loreto Convent, Asansol	3
Protestant European Orphanage, Cuttack	2
St. Andrew's Colonial Homes, Kalimpong	2
Dow Hill School, Kurseong	1
St. Joseph's Convent, Cuttack	1
	Total	137

(5) The following table affords particulars, as to the class and religion of the foundationers at the close of the year :—

Class.	Roman Catholics.	Church of England	Non-conformists.	Total.
1. Orphans, or deserted by their parents.	23	11	11	45
2. Fatherless, or deserted by their fathers, or those whose fathers were incapable ...	39	22	21	82
3. Having father or both parents alive ...	3	3	4	10
Total ...	65	36	36	137

(6) The health of the girls was, on the whole, satisfactory. There were a few cases of illness, and three girls died, of enteric fever.

IV. *Education and maintenance.*—(1) The nature of the education imparted to the girls on the foundation was generally that prescribed for Elementary and Higher Elementary Schools under the Code of Regulations for European Schools in Bengal. A few girls were prepared for the Cambridge Local Examinations. Two girls gained Elementary Scholarships of the value of Rs. 12 a month each.

(2) Parents and guardians are generally given the choice of any boarding school for the education of their children or wards who may be elected, provided that such a school has been approved by Government as suitable for girls enjoying the benefits of the Bruce Fund. A sum of Rs. 21-8 or Rs. 16 a month is paid for the education and maintenance of each foundationer in a boarding school or an orphanage, as the case may be. A sum of Rs. 40 or of Rs. 25 is also allowed for each foundationer for an outfit on joining a boarding school or an orphanage, as the case may be. Under the rules a girl is not ordinarily allowed to remain on the Fund after she has attained the age of 17 years, when an outfit of Rs. 50 is generally given to enable her to make a start in life. If, however, a girl elects to take up teaching as a profession an extension may be given under the rules. One such extension was granted during the year. Short extensions not exceeding a year are also generally allowed to girls who are preparing for examinations under the Code of Regulations for European Schools or for the Cambridge Locals, or who are learning shorthand or typewriting. One such extension was granted during the year.

(3) The monthly average cost of the education and maintenance of each girl on the Fund amounted to Rs. 19-0-4 against Rs. 18-11 in the preceding year.

(4) The amounts paid under the different heads of expenditure were as shown below :—

V. *Inspection*.—The Revd. Father A. Van de Mergel, S.J., was appointed Visiting Governor for the first-half, and re-appointed to the same office for the second-half, of the year. His reports were satisfactory. Father Van de Mergel stated in his first report that he found everything in a satisfactory state and heard no complaints worth mentioning. In his second report he again stated that, as far as he was able to ascertain, everything was in a very satisfactory condition, except that there had been an outbreak of enteric fever at one of the schools, and three of the Bruce wards fell victims to it, but that all danger seemed to have passed at the time of his visit.

VI. *Meetings*.—Four meetings were held during the year, and among the various resolutions passed the following may be noted :—

- (1) That the scholarship money of Bruce foundationers should be utilised for the benefit of the holder. The scholarship should be drawn by the school authorities. A portion of it, if thought desirable, should be allotted, in consultation with the Visiting Governor, for immediate use, such as payment of fees for special instruction or for a little pocket-money to the girl, and the balance should be banked in her name.
- (2) That the Visiting Governor should make enquiries, on the occasion of his visits to schools, as to whether there were any cases where the circumstances of parents or guardians of wards of the Bruce Institution had changed for the better, and should report such cases to the Governors for any action they might think desirable.

CALCUTTA,
The 31st March 1913.

G. W. KÜCHLER,
Honorary Secretary to the Governors.

DISTRICT REPORTS ON WEATHER AND CROPS

For the week ending on the 28th April 1913.

Summary.—During the week slight rain fell in some parts of the province: but most places are now beginning to cry out for want of rain. The preparation of land for the *bhadoi* crop as well as sowings are being retarded for this reason and rain is anxiously awaited. The weather continued hot and sultry accompanied in many places by a high wind. The average price of common rice rose by about one per cent. during the week. Scarcity of fodder is reported from some parts of Tippera and cattle-disease from parts of Murshidabad, Khulna, Burdwan, Birbhum, Bankura, Rangpur, Malda, Mynensingh and Noakhali.
